KODAK S2085f Scanner

Best in Class.
Built to Last.

We deliver high-performance document processing the way it should be. It's what comes from decades of expertise in fine-tuning production capture.

## No one builds scanners better than Kodak Alaris.

The KODAK S2085f Scanner is our most robust and compact A4 document scanner. It features our highest ADF capacity and is designed for the most demanding scanning environments.

High-Volume A4 Scanning	FADGI Compliant	Integrated A4 Flatbed	Direct Network Integration	Superior Document Handling

Ultra-rugged, to endure no matter what

We design every feature to withstand the rigors of nonstop operation. With the KODAK S2085f you get a more robust 300-sheet feed tray and hidden hinges for less exposure to wear and damage. Scan more documents than any other A4 scanner on the market.

Exceptional image quality delivers seamless workflow automation

With over 30 years of pioneering R&D, our imaging technology ensures we deliver a Perfect Page every time so you can easily extract the information you need, when and where you need it. We deliver clear, accurate, and searchable PDF files or data extraction results for 126 different languages.

Technology that's built for speed

From media controls to embedded processing, our superior paper handling and capture speeds accelerate your internal workflows and productivity.

Double–feed detection is an intelligent system that monitors each piece of paper as it moves through the feeding mechanism. Ultrasonic sensors instantly stop the scanner when two or more pages are fed into the device, protecting data integrity.

UX that's easy on your operators

We design our control panels with your workflows and users in mind. Large, colorful menus make operations simple, fast, and intuitive.

Built-in automation with Smart Touch Technology

With Smart Touch technology, you can turn manual scanning tasks into a controlled workflow with the simple touch of a button. Built-in Gigabit Ethernet allows multiple users to share the scanner within a department.

The most complete scanning experience

Complete your most complex jobs efficiently by taking advantage of the integrated A4 flatbed for exception media handling like books and fragile documents.

KODAK S2085f Scanner

Features	
Throughput Speeds BW/grayscale/color:	Up to 85 ppm/170 ipm
Recommended Daily Volume	Up to 20,000 pages per day
Feeder Capacity	Up to 300 sheets of 80 g/m2 (20 lb.) paper
Connectivity	USB 3.2 Gen 1x1, USB 2.0 compatible, 10/100/1000 Ethernet
Media Handling	**Min. Paper Size:** 2.5 in. x 2.8 in. (63.5 mm x 71.1mm) **Max Paper Size:** 8.5 in. x 160 in. (216 mm x 4600 mm) ADF |8.6 in. x 12 in. (220.7 mm x 304.8 mm) Flatbed **Paper Thickness & Weight:** 9–160 lb. (34–433 g/m²) paper
Acoustical Noise	**Off or Ready mode:** < 20 dB(A), Scanning: <60 dB(A)
File Format Output	BMP / JPEG / Single-page TIFF / Multipage TIFF / PDF/A-2b / PNG / RTF / XLSX, DOCX, PPTX
Operator Control Panel	3.5 in. (89mm) Graphical color touchscreen LCD with operator control buttons
Paper Handling Features	Ultrasonic Multi-feed with Length detection, Intelligent Document Protection, Controlled stacking, Rear Exit, Enhanced Jam Recovery
Power Consumption	**Standby:** <0.3 watts; **Sleep mode:** <4.7 watts; **Running mode:** <70 watts
Electrical Requirements	100-240 V (International); 50-60 Hz
Dimensions	**Weight** – 37.1 lbs (16.83 kg) **Depth** – 14.6 in. (370.84 mm) **Width** – 18 in. (457.2 mm) **Height** – 10 in. (254 mm)
Bundled Software	TWAIN, ISIS, WIA Drivers; Smart Touch, KODAK Capture Pro Software Limited Edition (via web download)
Supported Operating Systems	WINDOWS, LINUX, CITRIX Certified
Optional Accessories & Consumables	A3 Size Flatbed Accessory, Enhanced Printer Accessory (Rear Side, Post Imprinter), Rear Exit Tray, Feeder Consumable Kits, Printer Ink Cartridge and Carrier, Carrier Sleeves (5 Pack)
Warranty	Please review with your Authorized Reseller or visit AlarisWorld.com

Capture & Intelligent Document Processing Solutions That Make Sense!

KODAK Capture Pro Software
Advanced capture software that makes it easy to scan, process, utilize, and manage documents and data from scanned documents.
