

KODAK S3060 Scanner

Best in Class. Built to Last.

We deliver high-performance document processing the way it should be. It's what comes from decades of expertise in fine-tuning production capture.

No one builds scanners better than Kodak Alaris.

The award-winning KODAK S3060 Scanners are versatile A3 office scanners with advanced document protection, a sturdy document feed tray, and robust feeding and control mechanisms.

Award-Winning design

FADGI Compliant

Physical/Digital Imprinting

Direct Network Integration

Superior Document Handling

Powerful versatility

Need to scan documents in less-than-perfect condition? No problem - that's business as usual for our ultra-rugged feed trays that accept virtually any media you need to scan.

Our auto-adjusting 300-sheet feed tray constantly lifts media up to the feeding mechanism, enabling you to set it and forget it.

Technology that's built for speed

Intelligent document protection actively listens for the sound of paper-feeding abnormalities caused by obstructions or stapled documents. The moment an issue is detected, the scanner immediately stops to prevent any potential damage to your documents or the device.

Exceptional image quality delivers seamless workflow automation

With over 30 years of pioneering R&D, our imaging technology ensures we deliver a Perfect Page every time, so you can easily extract the information you need, when and where you need it. We deliver accurately searchable PDF files or data extraction results for 126 different languages.

Your eyes will never see a better scanned image. No blurring, no spots, just a clean, well-cropped image that's better than the original.

UX that's easy on your operators

We designed our control panels with your workflows and users in mind. Large, colorful menus make operations simple, fast, and intuitive.

Built-in automation with Smart Touch Technology

With Smart Touch technology, you can turn manual scanning tasks into a controlled workflow with the simple touch of a button. Built-in Gigabit Ethernet allows multiple users to share the scanner within a department.

KODAK S3060 Scanners

Features	
Throughput Speeds BW/grayscale/color:	Up to 60 ppm/120 ipm
Recommended Daily Volume	Up to 25,000 pages per day
Feeder Capacity	Up to 300 sheets of 80 g/m ² (20 lb.) paper
Connectivity	USB 3.2 Gen 1x1, USB 2.0 compatible, 10/100/1000 Ethernet
Media Handling	Min. Paper Size: 2.5 in. x 2.8 in. (63.5 mm x 71.1mm) Max Paper Size: 12 in. x 160 in. (305 mm x 4600 mm) ADF 8.6 in. x 12 in. (220.7 mm x 304.8 mm) Flatbed (S3060f) Paper Thickness & Weight: 9–160 lb. (34–433 g/m ²) paper
Acoustical Noise	Off or Ready mode: <20 dB(A), Scanning: <60 dB(A)
File Format Output	BMP / JPEG / Single-page TIFF / Multipage TIFF / PDF/A-2b / PNG / RTF / XLSX, DOCX, PPTX
Operator Control Panel	3.5 in. (89mm) Graphical color touchscreen LCD with operator control buttons
Paper Handling Features	Ultrasonic Multi-feed with Length detection, Intelligent Document Protection, Controlled stacking, Rear Exit, Enhanced Jam Recovery
Power Consumption	Standby: <0.3 watts; Sleep mode: <4.7 watts; Running mode: <70 watts
Electrical Requirements	100-240 V (International); 50-60 Hz
Dimensions	S3060: Weight – 33.8 lbs (15.33 kg) Depth – 14.6 in. (370.84 mm) Width – 18 in. (457.2 mm) Height – 10 in. (254 mm)
Bundled Software	TWAIN, ISIS, WIA Drivers; Smart Touch, KODAK Capture Pro Software Limited Edition (via web download)
Supported Operating Systems	WINDOWS, LINUX, CITRIX Certified
Optional Accessories & Consumables	A3 Size Flatbed Accessory, Enhanced Printer Accessory (Rear Side, Post Imprinter), Rear Exit Tray, Feeder Consumable Kits, Printer Ink Cartridge and Carrier, Carrier Sleeves (5 Pack)
Warranty	Please review with your Authorized Reseller or visit AlarisWorld.com

Capture & Intelligent Document Processing Solutions That Make Sense!
