

**Kodak A4/Legal Flatbed Accessory**

## Scan bulky, bound, and fragile exception documents with ease

The Flatbed Accessory that integrates fully with **Kodak S2000 Series** and **Kodak E1000 Series** Scanners for ongoing productivity when challenging documents make their way into your workflow

### Nothing can stop you now

It's the ideal solution to keep your scanning productive and efficient. The **Kodak A4/Legal Flatbed** is fully integrated and attaches to the **Kodak S2000** and **Kodak E1000 Series** Scanners with ease.

When you have to scan originals that are bound, bulky, or delicate - you need a flatbed accessory to quickly capture these exception documents. The **Kodak A4/Legal Flatbed Accessory** is exactly what you need to keep your scanning productive. Now magazines, books, photo enlargements, oversize envelopes, thicker items, bound presentations, and other bulky originals won't slow your productivity.

### Reliable and safe, no matter what you're capturing

With streamlined, simplified integration of your flatbed accessory and S2000 and E1000 Series Scanners - plus valuable capabilities to safely scan fragile and bound documents without risk of damage - you'll experience reliable performance and peace of mind.

### Features focused on efficiency

With a small footprint, and graceful integration of an **Kodak A4/Legal Flatbed Accessory** with your **Kodak S2000** and **E1000 Series** Scanner, you save space efficiently, no matter what size documents you are scanning.

- Connect quickly and easily - includes everything you need to get started

- No additional power cord or image processing resources needed from your host PC
- No thickness limitations - bound originals, for example, are held safely and securely flat during scanning
- Book-edge scanning features lets you capture one page at a time to eliminate blurred or dark imaging in the "gutter" area of a book
- Save and send files in the format you need - including single- and multi-page JPEG, PDF, searchable PDF, PNG, TIFF, BMP, RTF, etc.
- Takes up less space than a detached flatbed - scanner and flatbed share the same small footprint
- Support for TWAIN, ISIS, and some Linux drivers

## Simplicity made one-button easy

Scan at the touch of a button. Smart Touch technology scans to file, email, Microsoft SharePoint, and other applications quickly. Everything you need to start scanning out of the box.

## Network flatbed scanning and the power to handle more

Tackle bulky, bound, and fragile documents with confidence. Use your A4/Legal Flatbed Accessory with an S2060w or S2080w Scanner for wireless network connectivity, making it possible for multiple users to easily share the Flatbed Accessory in a distributed environment. When more users need to scan exception documents or volumes increase, you'll always be ready.

Other manufacturers offer wireless connectivity through an add-on kit, but with your S2060w/S2080w Scanner and Flatbed Accessory, you're immediately network capable.

## Kodak A4/Legal Flatbed Accessory
